The Lyminge Association's future

It was pleasing to see so many new faces wanting to help the Lyminge Association. Our future direction was agreed and together we can make a difference to the communities of Lyminge, Etchinghill, Rhodes Minnis and Postling.

Your help is requested in suggesting a new name for The Lyminge Association - Do you have a suggestion for a more inclusive name for our organisation that implies our 4 villages? Please e-mail [Jean Howard](#).

Father Christmas delivery - On 21st December we again helped deliver parcels to those lucky girls and boys and adults selected by their friends, neighbours or relatives to receive an early present.

Our next meeting - This is on Tuesday 23rd January 2007 and will focus on the Newsletter when its presentation, content and delivery will be discussed. If you wish to join us and let us know what you think please contact Mike Foxon (Chairperson) on 862073 or e-mail [Jean Howard](#).

The Lyminge Association would like to thank Haxtons and Stennings for agreeing to be pick-up points for the Father Christmas delivery. Unfortunately, due to a 'hiccup', neither of them received their receipt books so were unable to acknowledge your payments. However, they did a wonderful job and we are sure all parcels were received on time from Father Christmas and his elves. Thank you to Father Christmas for calling early and to everybody else who gave up their time at this very busy part of the year.

Well what happened at The Lyminge Association (LA) Executive meeting 12/12/06?

LETTERS TO THE EDITOR

The Lyminge Association wishes to point out that letters printed are not necessarily the views of the association but we are interested in your views which are open for debate. (Ed)

Dear Readers

I remained silent about your ongoing dispute re the car park's 30p charge and how local businesses were griping about loss of business. Who are they kidding. I pass on my way to work at all hours - 6 00am cars in the car park - 8.30am car park full - 4pm to 10pm car park full. I used to call in to support local shops and was happy to pay the small charge. Not any more as I feel it is the shopkeepers and local residents who are tying up the spaces, so please don't harp on about the car park fees affecting your business. Perhaps the villagers are younger and so do not get sick as often as older residents, hence they do not need to use the chemist as much, or they do not need a blue rinse at the hairdressers. Perhaps we text or use email and " internet more often, or are working, when it is easier and cheaper to use Homebase or Tescos on the way home.

No, I don't want any of these services to close, so leave me a space so that I can call in and buy items that I can get cheaper in town and if anyone is short of 30p I will gladly give it to them.

I have only been in the village for 2 years so it is not my place to spout off, but coming from an area with high vandalism, car crime and burglaries you don't know how lucky you are. I have never slept so well.

Preserving All Our Shops

by Graham Caldwell

New Year is the time we traditionally think about what the future holds for us. Perhaps we should extend those thoughts to our community, in particular what sort of shops and business we want in our villages.

I speak in this article of my thoughts and I should make it clear these are my personal opinions and not endorsed by the Lyminge Association. A quick mental count gives us 15 businesses in Lyminge alone. Unfortunately I'm not in a position to count those we have lost; a butcher, I've been told, and a baker too. I do remember us losing Mayfield Store because we didn't patronise it enough. Some might argue that there wasn't room for 2 grocery stores, but they were at opposite ends of the village. My point, if you haven't already guessed, is if we value our local businesses we must use them otherwise they will close one by one; we don't want to end up with a single general store that sells a bit of everything and not a lot of anything. No one wants a one-stop-shop owned by a large supermarket where profits are sucked out of our community.

All that said, if our shops wish us to be loyal to them by our patronage, they should also act in a way that deserves our loyalty. Perhaps one responsibility is to not engage in practices that are likely to drive one another out of business and so reduce our overall choice. I know there is camaraderie between our shops, perhaps even an unwritten rule that they don't poach one another's core business - I think we as villagers also know in our heart of hearts that is not what our local shops should do.

I have been a little disturbed of late to find that one business is not doing this. One shop is selling products not previously stocked and which is a core product of another of our shops. I spoke to the shop owner in question and he said he was 'catering for passing trade.'

It is not my intention to suggest anyone is being greedy in business because perhaps there are other factors of which I am not aware. But I must admit I am worried about where all this might end. Perhaps if the sale of many health and beauty products was cherry picked from the pharmacy would they be unable to continue trading solely on filling prescriptions?

Correct me if I am wrong but I would like to think our community could support numerous businesses, each a specialist in a particular field. I believe we as consumers have a responsibility to our shops but I also believe they have a responsibility to us. It is up to us to support them so that they don't have to poach on one another's main area of business but it is also up to them to not cherry pick the profitable parts of other business. Support our local shops by offering them your custom for their core business. Don't let them sell you a newspaper if they are supposed to be selling you something else that is named in the title above their shop front. I believe while we are lucky enough to have a variety of businesses we should buy our newspapers from the Newsagent and our milk from the Food Store.

Message from The E.Y.E. Chairperson Simon Rosenberg

This Christmas saw the second season finale of Etchinghill Youth Enterprise. Over 30 young people took part in a Casino Royale - James Bond Night. E.Y.E members, their guests and parents enjoyed a night of casino games, target shooting, a non-alcoholic cocktail bar with Bond Movies and music. County Councillor Susan Carey attended to present awards to George Parry, Henry Phillpott and Olivia Hill for best 007 fancy dress. Other prizes on the night went to Tom Boreham and Joe Jackson.

I would like to thank all those who have supported the EYE since we started in our aim to provide an outlet for youth based activities in Etchinghill. The recent season finale was not only a credit to our members but to the parents / grandparents and volunteers who have contributed towards what is now a growing success.

I have been approached by villagers in Elham and Brookland who are in the process of setting up a youth club. They wish to learn about The EYE as part of a plan to bring services for young people into their area. I look forward to being able to report more on this as developments are made.

The new season of club nights will commence on Monday 5th February 2007. This break will give the Management Team time to plan ahead for the future. As of the New Year it is my intention to stand down from the day to day operational management of the EYE. My family, home and work commitments have to take primacy over other interests and I do not feel that I will be in a position to give the EYE the support and time it so rightfully deserves. The current Management Team has shown exemplary commitment thus far and we will be actively searching for the right person to take over the coordination of their roles. (Please see advert).

As Chair, I do not wish to detract all involvement from the EYE and hope to remain in a position whereby I can support the group as a whole and influence its long term strategic direction. In the New Year, I will be making enquiries as to the potential of a full / part time employed Youth Worker for our area and hope to work closely with Kent Youth, Kent County Council and other neighbouring groups such as Lyminge Youth Action. I am also investigating ways of linking with a local Duke of Edinburgh Award Scheme to enable local young people access to this excellent opportunity for development...watch this space!

So, once again, thank you to each and every one of you who has helped The EYE in 2006. Thank you to the management team for a year of hard work and dedication to the young people of Etchinghill. And a final thank you to the families of our management team for your support with all that has been necessary to ensure success.

Happy New Year to you all
Simon.

Are your E.Y.E.s Open ?

Can you see the future benefits of locally based youth services?

Are you focused on providing development for people?

If you share the same view as us, then read on.....

Etchinghill Youth Enterprise (EYE) is a youth club based at Etchinghill Village Hall which meets every Monday evening from 1900-2100. We currently have a vacancy for a Team Leader; who will be responsible for coordination of the Management Teams activities thereby ensuring effective routine running of the EYE.

The post holder will work closely with the Management Team to coordinate the weekly club nights (though not necessarily need to attend each week), recruitment and allocation of leaders, booking arrangements, purchase and maintenance of equipment and stores and will ensure compliance with all relevant legislation.

Any appointment will be subject to satisfactory references and Criminal Records Bureau Check.

If you are interested and would like to hear more about this exciting opportunity, please ring Simon Rosenberg (Chairperson) on 01303 862421.

ST NICHOLAS FAYRE 2006

Considering the wet and windy weather on the weekend of 1st - 2nd December, it was another great and very successful St Nicholas Fayre held at Lyminge Village Hall. More than 600 people came from around the surrounding area to see, smell and taste a traditional Christmas Fayre. There were 16 stalls offering cakes, preserves, crafts and decorations just to name a few. There were also the usual and popular Hog Roast, Mulled Wine and musical entertainment. It was great to see so many people in costume to add to the atmosphere. We would like to thank all who took part and

ETCHINGHILL W.I.

Barbara Syrett, our new President, chaired the meeting. After dealing with the business side Barbara presented the retiring President, Joy Bartley, with a lovely bouquet in appreciation of her splendid work over the past year.

The tables were very festively decorated with a bag of chocolates on each plate. Barbara had done a major job making 45 bags tied with gold ribbon.

The entertainment was provided by the very popular Marsh Warblers, who sang a variety of songs and carols, some of which we were asked to join in. This was followed by a wonderful tea provided by the committee.

After a mammoth raffle the competition was judged and was won by Daphne Melrose with her Christmas tree ornament. She is a very talented member.

Our Christmas lunch is on 23rd January at Sotirios in Hythe and our first meeting of 2007 is on Tuesday 16 January at Etchinghill Village Hall.

For further information please contact Dottie on 862545 or Barbara on 265229.

New Year Greetings to everyone.

ST. NICHOLAS' FAYRE "DEBRIEF"

We thought the St. Nicholas' Fayre was very successful, but it is very important to us to hear from our local community; your thoughts and feelings on it and any input you may have. In particular, the Children's Room was a new venture for us and we would welcome any comments

SKATEBOARDERS OF LYMINGE

Where did all the skateboarders go?

John, Pete, Mac, Tracey and Co.

They were learners and keen in their casual gear,

Eyes on the boards not a trace of fear.

Their intrepid attempts were a sight to see,

Using a slope in the road near me.

Yet many a fall and resulting graze,

But nothing would halt their learning ways.

Then good news came of a park to be

It would cater for games, well, sports generally.

A village lady initiated their aims,

By fund-raising, meetings and collecting names.

Skate-boarders would have a track of their own,

It's surface conducive to skin and bone.

They could plan ahead for real learning skills

Plus advanced techniques such as kick flip thrills.

Ollies and nose-grinds might materialise.

Such tricks at the present are very unwise.

More details came of the land set aside.

Away from the street, grassy and wide.

How lucky we thought that the project moves on

Street boarding problems might soon be gone.

But, it's now to be a complex with idealistic aims

Whilst time marches on and I remember the names

Where did all the skateboarders go?

John, Pete, Mac, Tracey and Co.
