A tribute to David Godden

It is with immense sadness we have learned of the recent death of David Godden (15.12.1929-20.12.2017). He has supported the village in so many ways over the years using his wealth of experience gained in the police, teaching, on the boats and as a RHS judge at Wisley. One of his projects was the Lyminge Children’s Film Club which he ran on a Saturday morning using an old Bell & Howell 16mm projector. Originally it was called the Club which used to meet in the old Church Hall in Rectory Lane [where Whisper Cottage is now]. More recently, David had contributed monthly without fail to the Lyminge Newsletter, updating us with the weather statistics that he collected from his weather station. Thank you David for your profound support - you will be certainly missed.

From your District Councillors

Where will the new homes and jobs go that our district need over the next 19 years? A draft of the Core Strategy Review with 178 pages of detail (and links to many more pages of supporting evidence) went to Shepway’s Overview and Scrutiny Committee on 16 January. The main changes from the previous Core Strategy adopted in 2013 are the plans for Otterpool Park Garden Town and more housing in Sellindge. Otterpool is expected to provide nearly half (5,500) of the new homes needed by 2037 and most of the rest will come from sites that already have planning permission but have not yet been built.

Lyminge is designated a ‘rural centre’ which means it is considered suitable for development “consistent with enhancing the natural and historic environment – in a manner that supports [its] role as integrated tourist and local centre providing shops and services for a significant number of residents, visitors, and also for other villages in the North Downs.” This means there can be new homes/businesses built here over the next 19 years but the scale will be modest and they need to fit in with what is already here.

The Core Strategy Review is expected to be out for a six week public consultation later this year (we don’t have a date yet). Anyone can make comments and these are then all evaluated before the Review is submitted to the Government. The Government then appoints a Planning Inspector who examines the report in public (there are opportunities for members of the public to make their views known at this stage too). The Inspector will make modifications to the plan and it will then go out for further public consultation. It’s a lengthy and thorough process which should result in an updated Core Strategy in 2019.

Other news from Shepway is that at our meeting on 17 January we both supported the vote to change our name to Folkestone & Hythe District Council with effect from this April. The name Shepway was chosen when the district council was created in 1974 to avoid offending all the towns that expected to be featured in the name. The name Shepway means very little outside our own area and we’re sometimes confused with the Shepway estate in Maidstone or the Isle of Sheppey. This matters when we are dealing with potential inward investors and Government bodies. The new name should help end confusion and the cost of the change will be minimised by only changing branding on stationery, uniforms, vehicles etc. on replacement.

And to end on a really positive note, just before Christmas independent auditors Grant Thornton gave their verdict on Shepway for the financial year 2016/17. ‘In all significant respects, the audited party (Shepway District Council) takes properly informed decisions and deploys resources to achieve planned and sustainable outcomes for taxpayers and local people’. (Full report on the website).

Who’s Who in our Neighbourhood - Short Mat Bowls

Come and find out what a great recreation short mat bowling is, no matter what your age, although particularly favoured by the senior citizen. It appears to be slow but actually involves a lot of exercise. It is also great for forgetting all your worries while your brain is too busy working out angles and probabilities with each bowl sent down the mat. It is also addictive!

Short mat bowls is very similar to lawn bowls in that the object is for each player, or team, to take turns rolling bowls down a mat in an attempt to get as many of the bowls as possible closer to the target (the jack - the small white ball in the picture) than the opponent. The main difference is the size of the playing area and the presence of a block of wood midway down the rink mat. The presence of the block prevents players from knocking their opponents’ bowls away from the jack by sheer force; players are required to use the natural bias of the bowls to manoeuvre around the block.

We have a small village hall in which we can use three mats of varying speed — fast, medium and slow. It is a game ideally suited to small halls and was in fact invented for this purpose. One story is that it was first played in Wales by two South Africans who came to work in the area. They had played bowls outdoors in South Africa and, perhaps due to the poor climate and the long close season in Wales, they began to play a simulation of the outdoor game on a strip of carpet in a church hall.

For indoor bowling on a mat you will need perfectly flat, smooth shoes. If you are a total novice you will find bowls come in different sizes and weights (not to mention colours!) and it would be advisable to try some out at the Club before contemplating a purchase.

We meet on a Tuesday and Thursday evening, with the main session from 7pm to 9pm with a tea break half way through. If you are not exhausted after this there is an opportunity to stay on until 10pm.

All interested parties will receive two free evening sessions as a “taster”, so come and give it a go!

For further information contact David Baldry (Captain) on 01303 263024 or Ian Cloke (Treasurer) on 01303 862812.

WOW service at St Mary and St Ethelburga

Sunday March 4th at 11.00

What is Christianity all about?

Why not step inside the parish church for an informal service of contemporary worship songs led by our talented musicians. The first in a series of talks exploring Christianity will be on the Good news - What are we doing here?

No previous experience of church necessary.

The Lyminge hand bell ringers have been playing in and around Lyminge for well over 25 years. We love to attend fetes and local private celebrations throughout the year so if you think the sound of hand bells would suit a special occasion you are planning, then please contact us. We have an increasingly wide selection of music to choose from or just leave it to us. All we require at the venue is a large table for our bells and music, room for up to 11 players and a minimum donation of £40 for our current charity, the Nepali Children’s Trust. A small contribution to traveling costs is also appreciated if we have to travel more than 5 miles from Lyminge. Please provide plenty of advance notice. Want more info or make a booking?

**Letters to the Editor......**

**Proposed Developments...**
**TO THE RESIDENTS OF LYMINGE**

Did you know of the proposed development of 30 dwellings on the golf course between New Lyminge Surgery and Broad Street House? The initial consultation for this development has already been submitted to Shepway Cabinet and was approved by them on 19th July 2017. The draft plan will go for public consultation for a period of 6 weeks starting at the end of January. If you feel concerned about this development then this is an early opportunity to have your say. My concerns are that the developers are extending Lyminge beyond its natural boundary and moving into an area of 'outstanding natural beauty' which will open the door for even more building in the future. There is within the village available space for housing if necessary and this proposed development is unlikely in this situation to offer affordable housing. The draft plan can be viewed by using the link below – page 175 is the Broad Street plans.

I do not yet know the exact date of the public consultation but this can be found at Shepway Planning Office or contact me.

**Trudy Macgregor 07837379854**

Reply from Richard Chubb - chair of Lyminge Parish Council

Thank you for the opportunity to reply to this letter which is correct in its information. However it reads as if this will be the first time the plan has come before the public. In fact there have been four opportunities for the public to have input into the Shepway’s Local Plan, the first was in October/November 2016 which resulted in 13 responses. The current consultation referred to in the letter above is due later this year. The plan will then go to the Government Planning Inspector for approval. The Inspector will examine the plan at an open meeting when the public can have further input. Following this, he will then produce a report which will be published for yet a further public consultation. Finally, all responses to the consultations are considered and the plan amended appropriately. Please, also refer to Jenny Hollingsbee and Susan Carey’s report on P4 of this newsletter for more information. I hope this adds clarity to the planning procedure.

**Keeping our streets and pavements clean...**

Dear Sir,

Once again horse riders have passed along Mayfield Road while their horses, at the same time, have passed a pile of manure. Yet again it rained overnight and we were presented with a slurry of horse manure in the morning which was then sprayed over pedestrians as cars passed by.

Is it not time that responsible horse riders return after their ride to pick up the piles of horse manure that their animals have deposited? After all, the majority of responsible dog owners pick up what is a tiny fraction of the amount of horse manure which their dog has dropped.

I look forward to a more responsible and community-minded behaviour from horse riders. They should not be above doing the right thing for the benefit of all.

Yours John Adams
