Lyminge Association News

By the time you receive your first newsletter of 2010 it will all be over. We hope you have all enjoyed a very merry Christmas and we look forward to a peaceful New Year. We would like to thank the huge gathering who came to the 'Switch on' performed by Father Christmas. They then enjoyed Carols sung by Lyminge Primary School and music by the Lyminge Hand Bell Ringers. To finish, mince pies and mulled wine were served by The Lyminge Association with sweets for the children, although I did hear that one little girl had consumed 7 mince pies! Snow was produced by Adrian Willcox and was a great hit with the children, seeing who could get the most on their hat. Hot soup went down very well provided by Lyminge Hardware Stores and tea, coffee and nibbles were enjoyed at the Library.

A big THANK YOU to Laing Bennett for their cooperation in allowing us to have the 'switch on' at their premises. Thank you to all who participated in any way, particularly the local businesses who had their own special offers.

This year see the 40th Anniversary of The Lyminge Association and we would like some ideas on how to celebrate and make it a special community occasion. All and any ideas will be welcomed and if feasible will be used so please put on your thinking caps and either email or 'phone the editor, or contact any member of the committee.

HAPPY NEW YEAR !

Next Markets: Sunday 10th and 24th January

Your Healthy New Year Starts Here...

If you've vowed to eat more healthily in the New Year, our January markets are the place to shop for fresh, seasonal and locally sourced fruit and vegetables, traditionally made cheeses, local meat and game, as well as free range eggs, home bakes, chutneys, and wholesome, freshly baked bread.

All are more nutritious, much tastier and often cheaper than the supermarkets. So give us a try. And please visit us for our February 14th Valentine's Day market – we'll have heart-shaped cakes, Breakfast in Bed gift packs (honey, tea etc), logs for a cosy winter fire and much more.

We hope to see you there!

PS. Many thanks to all who supported our Christmas Market and helped make it such a festive occasion despite the appalling weather.

Rhodes Minnis Evening Circle

Our members Christmas party was held on the 9th December when we enjoyed a buffet supper followed by the Christmas Raffle. The competition was won by Paula and the collection was given to

"Help for Heroes" which is our charity for this year. We ended the evening with Daphne playing carols for us to sing-a-long to before wishing each other a very Happy Christmas.

Our next meeting is on the 20th January when Chris Tutton will return with "RAMBLINGS". We meet at Rhodes Minnis Village Hall at 7-30pm and everyone is welcome.

Marion Hoare 01303 862913

Etchinghill W.I

The meeting opened with Barbara Syrett asking all members to stand for one minutes silence in respect of Daphne Melrose, a long standing W.I member who will be sadly missed.

Birthday posies were presented to Ann Morgan and Denise Stewart. At the finish of the afternoon's business John Pearce entertained us with nostalgic music past and present. He played the guitar and sang many popular old songs with members joining in with great enthusiasm. We also participated in a quiz which was great fun.

A very delectable party tea was served and prepared by the committee. Each table looked very festive with every member receiving a small present and a bag of sweets.

Next meeting is on Tuesday 19th January at 2.30pm. Sarah Grazebrook will speak about working class suffragettes.

For further Information please contact Barbara Syrett on 265229 or Dottie Cross 862141

Cycle Cuba

Kent Air Ambulance is looking for people who like a challenge!

To celebrate the twentieth anniversary of the life saving helicopter being operational in Kent, the charity is organizing a sponsored bike ride in Cuba.

Cycle Cuba is set to take place in **November 2010**, when a group representing the Air Ambulance will set off on a 5 day cycle ride covering some 348km. The route will take in the captivating city of Havana, the Bay of Pigs, Trinidad (a UNESCO World Heritage Site), the Sierra del Escambray Mountains and Santa Clara.

The Kent Air Ambulance is available to every person living, working and travelling through the county each day. We receive no Government assistance or other funding towards the annual cost of running the service, £1.7 million pa, all of which is raised through donations and fundraising by the people of Kent.

The Valley's Got Talent! – Lyminge Dramatic Society

*Have you got a talent which will entertain people?
Do you want to win £250?*

If so, then read on! The Lyminge Dramatic Society is holding a show in March to showcase local talent, although we will welcome competitors from anywhere in Kent or even beyond. Talented individuals or groups of 16 years plus are invited to enter - singers, dancers, comedians or any entertainment skills are welcomed. Acts which include animals will not be accepted.

The auditions will be held on the weekend of the 20th and 21st March at Lyminge Village Hall and successful acts will go forward to the final on Saturday 27th March, also at the Village Hall. There will be a panel of judges for the auditions, who will take feedback from the audiences to help them decide which acts should go to the final, but the winner will be decided by the audience at the final on the 27th.

Entry will be free and the February newsletter will contain details of ticket sales and where you can obtain entry forms including an email address you can write to. However, the panel will not decide the winner - the audience will!

The competitors will need an audience! This is a new event for the area and it looks like it will be very popular - so come along and support it, either on stage or in the audience!

Lyminge Heritage Questions and Answers

Happy New Year. I have been contacted by Kirk Alexander who works for the White Cliffs Countryside Project and lives in Lyminge. He wrote about the environmental project question (**Q/A19** *Are there any environmental projects in progress in the locality?*):

"I am the project manager for the White Cliffs Countryside Project which has helped carry out a range of environmental projects in Lyminge and the Elham Valley over the last twenty years. The WCCP was involved in the creation of the Elham Valley Way which was officially opened in 1994... [and] was established in 1989 to help maintain and enhance the special coast and countryside of Shepway and Dover. We are perhaps best known for our large programme of guided walks and the Green Gang activities for children and their families during the school holidays. ...

The WCCP is helping manage the Kent Free Tree Scheme in Shepway and Dover and I can tell you that there have been a number of successful applications for free trees in Lyminge and elsewhere in the Elham Valley.

We have been working with Forest Enterprise to develop some walking and cycling routes for Lyminge Forest which together with a leaflet and information panel in the car park will be launched in the spring 2010. In the meantime local people are invited to test the proposed routes and make suggestions. I hope to be able to post the proposed routes on the WCCP web site in the near future (www.whitecliffscountryside.org.uk). I could also print off the routes for those who do not have web access. In addition, the WCCP proposes to launch an Elham Valley Ranger scheme to involve local people in the protection and management of Lyminge Forest and the Elham Valley Way. Further information will be posted on the web site or details can be obtained from me."

Kirk is happy to advise and assist in any environmental project in Lyminge. His telephone numbers are: 07885 599182 and (01303) 862938 and (01304) 241806 (tel/fax).

Peter Lanes has contacted me about the ducks in Station Road, Lyminge (**Q/A22**). He told me that they have been living in the pond and stream that lie to the left of Station Road as one approaches Lyminge. Apparently there were twenty four born there this summer but some moved on and now there are thirteen. He said that when the water dried up, in the summer, the ducks started to land on his lawn which was a rather comical sight as they seemed to think the grass was water and so tumbled head over heels on landing. This jogs my memory. I remember hearing that when there was a petrol station on the corner of Station Road and Mayfield Road, the ducks regularly had to be herded out to avoid being flattened by petrol tankers. Ducks must have been resident in that area for many years.

Peter Gay phoned me and told me that he has regularly seen weasels (**Q/A18**) crossing the roads to the west of Elham. He also said that he has seen stoats on the army land near Arpinge and that he understands that there are feral ferrets living at the top of Teddars Leas Road. Presumably, these were originally escapees. This reminds me that I have seen coloured rabbits living wild between Teddars Leas Road and Tan Barn. They were brown, black and white. Again, these presumably escaped from a cage in the past.

Here are the Etchinghill weather statistics for November 2009:

Maximum Temp	15.1 °C (1/11/09)	Minimum Temp	1.6 °C (10/11/09)
Maximum Wind Speed	25.7 mph (14/11/09)	Beaufort Scale	5 Strong Breeze
Max. Rainfall in 24h	124.3 mm [4.9 in] (14/11/09)	Monthly Rainfall	630.8 mm [24.8 in].

The rainfall was quite exceptional in November but I still have some doubts about the rain gauge. As well as observing weasels and stoats Peter Gay has been collecting weather data in Elham for about ten years. He told me that the November rainfall was surprising but that his record for the month was about half mine. He also said that he has been in contact with a weather data recorder in Sellindge and they have noticed that there tends to be more rainfall in Elham than in Sellindge. Presumably this is because the North Downs push air upwards which then results in rain falling. This might, then, result in more rainfall here in Etchinghill than in both Elham and Sellindge. Whatever, I am now going to try collecting the rain figures manually as well as electronically to see if there is much difference.

That's all for this month. Can you provide any information about the locality's heritage? If so then please contact me.

Alistair Bailey

JANUARY ETCHINGHILL UPDATE

FARMERS MARKET

Congratulations to the winner, Mrs June Price of Etchinghill, who won the Christmas Hamper at the December Farmers Market. The next Farmers' Market will be on **Saturday 6 February 2010**, and on the first Saturday in every month thereafter. There will be no Farmers Market in January.

OPEN HOUSE AT THE VILLAGE HALL

The talk on the role of the PCSO, in December, given by Richard Fowler, was very illuminating and well attended. We were pleased that our Community Officer, Gary Harrison was also able to be present. This gave a greater insight into how the two roles interact with one another. A lively question and answer time afterwards led to some interesting points being raised, with both the speakers agreeing to look into some issues that had been raised.

Monday 8th February - David Brocklehurst, Chairman of Kent Battle of Britain Museum Trust is giving a talk on the Elham Valley during the Battle of Britain. Do come along at 10.00 - 12.00 all welcome.

ETCHINGHILL FOOTBALL TEAM

Are you an armchair expert or would you like to get out a bit and give others the benefit of your knowledge? Before we can form a village team, we need a team manager and coach. Is anybody prepared to give a little time and effort to the young people in the village? If so, please phone Alan on 862277.

ETCHINGHILL RESIDENTS' ASSOCIATION

The Christmas Tree Project has been completed successfully. The lights were switched on by Richard Chubb, Chairman of the Lyminge Parish Council on Saturday 12th December. Thank you to all those who supported the event. Afterwards, they adjourned to the Village Hall for mulled wine and mince pies. Special thanks go to Jamie Weatherley at Auto Economy Centre for designing the lighting system and to John Newing for the lighting housing.

ETCHINGHILL UPDATE

After a number of years, Rodney Watts has resigned as co-ordinator for the Etchinghill Update for the Lyminge Newsletter. Anne Lloyd has very kindly offered to take over. Any information or copy concerning Etchinghill can be sent to her by the 17th of every month by e-mail at annealanlloyd@gmail.com or by telephoning her on 01303 862277

Additional information to record the amount of the work involved to enable the trees and lights to succeed.

Barbara Collins-Newing, Judith Lansdell and Wendy Preston, started on this project in February 2009

Judith was responsible for researching which species of tree would be the most suitable. This involved visiting several garden centres and checking out facts given. The trees finally chosen are Norwegian Spruce. We are assured they will grow only moderately each year.

Barbara had the onerous task of tackling the source of power for the lights. She had long and difficult conversations with representatives of EDF Energy - each time she phoned the person she spoke to had a different view of the situation than the last person she had spoken to! The high cost of going through EDF Energy and the aggravation involved, led Barbara to seek an alternative method of providing an electrical supply for the lights. This is when battery power came into the picture. She has learnt an amazing lot along the way - about different batteries and different lights - but it has all come to fruition in the end.

Wendy's part was mainly administrative. Firstly to establish the ownership of the two areas where we planned to plant a tree. She then had to deal with the bureaucracy thrown at her by Shepway District Council. We had to pay £125 for a licence to be drawn up for us to plant a tree on their land and then, having agreed the licence, (with amendments to acknowledge the insurance involvement of the Lyminge Association) we have had to pay £25 rental for the year - with £25 due every year thereafter. With advice from those who knew what was required, Wendy drew up a specification, with illustrations, for the housing needed for the batteries, so that we could ask for competitive quotations.

We have to thank Jamie Weatherley of Orchard Garage for all his help and the help of his staff in finding the right batteries and doing tests for us. Also to John Newing who has done a brilliant job of building the housing for the batteries, working in torrential rain in order to finish the job on time.

We also have to thank the Lyminge Association, Lyminge Parish Council and KCC for grants towards this project. Although we - the ERA - raised a significant sum through our Quiz/Bingo evening and Race Night, this would not have been anywhere near enough to complete the project.

LYMINGE HANDBELLS

The Lyminge Handbell ringers had a most successful festive programme of engagements that nicely rounded off a good fundraising year so will be taking a short break in the New Year. If you are planning a special event, where the sound of traditional hand bells will add to your celebration, why not consider handbells? A large selection of popular and classical music is available; all we need is a large table, room for up to 10 players and a donation of at least £40 for our charity, the Pilgrims Hospice. A contribution to travelling costs is asked for if bookings are at locations more than 5 miles from Lyminge. Weekends and evenings only please and plenty of advance notice. To request a booking please call Ro Edmond on 863201.

To bee or not to bee

BRITAIN'S 1ST BEE KEEPING ACADEMY

Local lady, Jean Mozley, from Newington near Folkestone has got a bee in her bonnet about the declining bee population in the UK and is starting her own business to help stem the decline.

A self employed bee keeper for the last thirty years, Jean suffered a painful condition in 2008; acute pancreatitis causing inflammation of the pancreas and severe abdominal pain. The condition forced her to stop work while she received treatment and required a radical change to her health, diet and fitness.

With the condition under control, diet, Jean wished to return to employment, but in a new direction. She sought the help of the Royal British Legion which provides employment, training and support for people, including those with disabilities. They referred her to Enham's Self Employment team and their Business Ability Programme, which helps disabled and disadvantaged people to start their own business. The programme is a free and confidential service designed to help clients to make their business ideas happen and progress towards self employment. It includes information, advice and guidance from a team of professional business advisors across eight counties in the South of England, with help in areas such as business planning, market research and PR.

Jean's idea was to start a bee keeping academy and, in her words, to teach the 'gentle art of beekeeping'. Jean's course will be the first bee keeping academy in Britain. The first course kicks off across three Sunday afternoons, one per month in January, February and March 2010, where students will be able to learn how to keep bees, studying in the picturesque village hall in Jean's home village of Newington.

Dear Editor

This week I'm saying thank you that I live in a village like Lyminge and thank you that we still have a Post Office at the centre of our community.

Late on Saturday I could not find my driving glasses and thought that I must have mislaid them at the Post Office earlier in the day, when I needed to swop to a near-vision pair.

On Monday morning, enquiry at the Post Office determined that, although they were not there, the finders had kindly reported the find there. They were to be found a bit further along, at number 27, where they had also posted a sign about the find.

Glasses restored; driving again possible. Thank you kind people.

Yours sincerely,
Fronika Heath

Lyminge Village Hall

At the heart of our busy community the Village Hall offers an excellent venue for up to 200 people and can meet a variety of requirements with its small Committee Room, larger Club Room and the Main Hall with servery and large stage. We have invested heavily during 2008 with a storage extension completed plus new Ladies toilets. With the full stage now available concerts and bands can be accepted. With excellent parking, kitchen facilities and plenty of tables and chairs the Village Hall makes a great place for larger celebrations or charity events. Price example: Friday or Saturday evening £50.00
