

THE LYMINGE ASSOCIATION – GENERAL DATA PROTECTION REGULATION (GDPR)

VOLUNTEERS

To comply with the GDPR, The Lyminge Association requires all Volunteers to give permission for us to retain necessary personal data. For example, your name, address, email, telephone number and next of kin.

This data is used solely to run the Association, facilitate its activities and for admin purposes. Data is not shared with any other organisation.

Newsletter Deliverers – additional information

A printed copy of the deliverers' information is supplied to the sorter/main deliverer for packing of the delivery bags and supply to the secondary deliverers. The secondary deliverers also hold data relating to those individuals to whom they deliver.
